真言 MANTRAS

	真言 MANTRA	意思 MEANING
1.	OM OM OM	<p>OM 是最基本的原始发音。它散布并充塞宇宙的每个角落。一切可以发出的声音，都包含在 OM 里。因此，自古以来，OM 即象徵世俗语言中对神的尊称发音。</p> <p>它的发音可分为三部分，即 AUM；由 A 开始，经过 U，才以 M 结束。还有，OM 的发音，是逐渐的消失在宁静中，而世俗经文中对神描绘的字眼发音，也以宁静的声调结束。</p> <p>归纳上述，如果我们诵念 OM 至宁静的阶段，即象徵我们凭借冥想至高、至纯洁的神而修练到宇宙的最完美、至真的境界。</p>
2.	BUDDHIST PRAYER Buddham Sharanam Gachame Dhammad Sharanam Gachame Sangham Sharanam Gachame	<p>三皈依</p> <p>我皈依佛 我皈依法 我皈依僧</p>

5.	SAI GAYATRI MANTRA Om Saishwaraaya Vidhmahe Sathya Devaaya Dhimahi Tanna Sarvah Prachodayaat	赛伽耶持黎真言 默思冥想万物之主的赛，真理的化身。祂开导和激励我们从事一切吉祥和正确的行动。

Love never seeks rewards. Seeking rewards will cause agony. Love is about giving, and not about skills. Love elevates character. Love your enemies, and pray for those who persecute you. Love is warm and beautiful; Love is the port of happiness.

Baba, I love You... love and adore You.
 Waking or sleeping, sunshine or rain.
 I'm holding Your hand, Lord, no longer lonely.
 Warm in Your Grace, O... Baba, I love You.

Baba, my pathway isn't all roses.
 Sometimes I wonder, "Why all these tears?"
 Then, I remember, how much You love me.
 And living is easy... Baba... I love You.

Baba... tomorrow, when comes the dawning.
 There, in that moment... recalling Your Grace.
 Deep in my heart, Lord, I will be with You.
 Warmed by devotion.. Baba... I love You.

Baba O Baba... Love is the answer.
 Love is the reason... Love is the way.
 Here in Your steps Lord... I find direction.
 How can I falter?... Baba I love You...

Life is a vast ocean. On a stormy day, engulfed by darkness, I am terrified. Like a lost lamb, I am groaning by the roadside. I regain confidence and faith and no longer do I feel lost and sad.

Tao is the permanent, unchanging reality, the fundamental principle of life, the cosmic consciousness, the source of creation. It can never be named nor deviated from, even for a mere moment. It is formless, impartial, implicit and unbiased. It bestows Unity and Divinity to the Universe. Man can propagate Tao but Tao cannot be used to extol man. Cultivate Tao and your life will be meaningful.

We owe a great debt of gratitude to our guru, Sri Sathya Sai. In return, we should follow His precepts. He is the sweet spring water in the midst of the barren wilderness. The Lord is by your side, leading you forward. The Lord allows trials and tribulations to test your faith, and comes to your rescue at the end. A nightingale singing after dark is the sweetest and most beautiful. Through suffering we find happiness. Sri Sathya Sai is the sweet spring water of our life.

The constant flow of the water of Dyana cleanses the mind that is full of dirt. Once the mind is purified, the nature of goodness is fostered. Listening to Your Divine teachings, we return to our original purity and simplicity. Spreading Dharma to benefit all beings is to show our gratitude for the Grace You shower upon us. Seeing only parts, we end up arguing over parts and neglect the whole. Perform obituary rites for the 'old you' and start a new life.

After a severe storm, the flowers are in full bloom, beautiful and fragrant. After adversity comes perseverance and strength. When the mind is at peace, true wisdom will emerge. Be attached neither to objects nor emptiness; be detached from forms. With sacrifice comes glory, with faith comes strength. Anywhere is a good place to practise spirituality. Take refuge in Sai and sing His glory, He shall provide shelter. In Sai you should surrender and confide, and He is always by your side.

Where is the Buddha? He is not in faraway Lingshan (Gridhakuta Hill). Lingshan (Buddha) is within us. Within everyone there is a Lingshan Pagoda. Go within to seek the Buddha. If there is no desire, there is no worry. Stop improper thoughts through spiritual practice. What do you seek in life? Wealth and fame do not last. Dharma comes from the Inner Vision. Seek Darshan within to set you free from bondage.

Without simple living, one has no high ideals. Without a calm mind, one cannot attain any accomplishments. Maintain serenity to cultivate oneself, practise frugality to cultivate noble character. Following one's destiny and upholding one's beliefs is the key to happiness. One must be broad-minded and if one does not have any desires, one will not be afraid of anything.

Lord Incarnate

Baba, Your advent in human form is to free mankind from bondage and to disseminate the Truth and Dharma. Dharma comes from within. So look within, do not seek externally.

Shirdi Sai Baba, Sathya Sai Baba, Prema Sai Baba. In the Kali Yuga, the age of darkness, when moral virtue is in decline, Sai descends to expound Truth and Dharma, to promote selfless service and to remove the sufferings of all beings. Accept Sai's teachings and transform. Sincerely chant the name of God, cultivate precepts, meditation and wisdom and all worries will cease. When we are emotionally upset and fail to find peace of mind, chant Sai Ram. We go through thick and thin together, chant Sai Ram. All men are brothers, there is no discrimination, chant Sai Ram.

Chant the name of Lord Hari. The Lord descended as Sai to preach and manifest the divine spirit. The greatest dharma is adherence to Truth. The blood, sweat and tears of your struggle will bear the fruit of Truth. You will see real wonders when you are in a painful situation. Life is not necessarily a happy thing, and death is not necessarily something worthy of fear. Don't let anger and resentment make your life miserable. Puttaparthi is filled with peace and harmony. The cool breeze brings Sai into my heart.

Let us sing the glory of Sai. Sai is Love and Love is Sai. Love is rewarded with love. Praise and censure, honour and insult are no longer important. Where there's a will, there's a way. The guidance of Sai is the most trustworthy. Don't seek without, seek within. All things are created by the mind alone. The constant flow of the water of Dhyana cleanses the mind of dirt and desires. Once your doubts and worries are cleared, the light of wisdom will shine forth.

White clouds drifting across the blue sky, flowers blooming in the fields. Dawn rises above the horizon, lighting up the eastern sky and the world is filled with fresh hope. The morning dew nourishes the flowers, filling the air with their fragrance. Persevering through adversity is a gauge of your strength, and Sai will guide and guard you. Tiny drops of water make the mighty rivers and eventually merge into the vast ocean.

Chant the name of Lord Rama, Lord Krishna. Chanting of God Names is a good spiritual practice in this Kali yuga. Focus on chanting and you will be calm and peaceful to enter a meditative state leading to wisdom and enlightenment. When your mind is whole and perfect, you will not find fault with others. When your mind is at peace, you will see beyond the dark sides of human nature. A gentleman does not show off his talent but is candid in his thoughts, words and deeds.

A mother's love is the greatest love. Sai is mother's love. Sai is omnipresent. Only love and Sai are the most reliable. The cultivation of love begins with loving your loved ones. A filial son looks after and honours his parents. There is nothing more filial than nourishing your parents with all that you have at your disposal. A lamb will kneel down to suck milk from its mother's udders and a crow will feed its mother. There is no greater God than your parents.

Amitabha of Sukhavati vows to bring all sentient beings to salvation. Having been inspired, I decide to tread the divine path and do my sadhana. I take refuge in the Triple Gems and adhere to the precepts to put an end to delusion and attain Truth. There is only one path to merge with the Absolute but there are many Dharma-doors. Sincerely recite the name of Amitabha Buddha, not to seek rewards in our next life, but rebirth in Pureland.

One should be equanimous to both taking up and letting go. Purify the mind, reduce desires and one will have nothing to worry about. There is no shame as long as one discharges fully his duty. Take it easy and one will be as boundless as the sea and sky. Let go and one will become smarter and agile. When one has done his best, why should one be doubtful? When there is contentment with one's lot, why worry?

One can change fate through perseverance. Fear serves no purpose. Dreams can come true, but one must wake up from the dreams. Once you find your true self, you are on the right path. Detach from one's body, and realize one's own nature, you will then receive a vision of the Lord.

All sages are passing shadows; only your innate knowledge is your teacher. Keeping a calm mind will enable you to attain accomplishment; simple living will enable you to show your high ideals. To purify your heart, scheming and manoeuvring cannot be relied upon. Do things with all your heart and you will realise your inner self. To rise above the world, you have to go into the world. Base your life on honesty and be a dignified human being.

Money comes and goes, morality comes and grows. Worldly possessions are like passing clouds, why agonise over them? When one's attention is devoted to loving God and fearing sin, morality will shine forth in society. If one is willing to serve and sacrifice, the merits are beyond bounds. Put the teachings of Sai to practice and promote them with humility. Cultivate one's thinking through practising virtue; nurture one's health through practising benevolence. Nurture all creations and the Self will manifest.

In life we must strive for Truth, Perfection and Beauty. Try to offer what we have to help others. I wish to be a holy flute that the Lord may use to play enchanting melodies on. Hardship is but a test, our faith must stay strong. Even though the path ahead is tough, eventually we will reach the Promised Land.

Accept what has happened and see everything as it is, then liberation will come to you. Baba is our beloved Guru. He teaches us to surrender to Him. Surrendering to Him, the purpose of life shall be achieved.

What's to expect in life? The Buddhadharma is boundless and immeasurable; take refuge in the Buddhadharma and cultivate oneself. Status and wealth are like sea water; the more one drinks, the more thirsty one becomes. Buddha nature is in the heart; Bodhi is the thirst quencher. One should only tread the inward path.

In the study of Zen Buddhism, one must delve into details before one could fully appreciate its rationality. One who practises Zen is serene and not affected by external objects, yet is enlightened with the teachings of the Buddha. Once you stop judging, you would realise the transient nature of the external world. The tree holds a remnant white cloud amidst a backdrop of mountain and sky that is hued red by the setting sun. A flag streamer is swaying in the night-wind. Is it the wind or the streamer that is moving? It is neither the wind nor the streamer, it is one's mind that is agitated.

Sathya Sai, the loving mother, the symbol of motherly love. He resides in Puttaparthi. Throw yourself in the arms of Mother Sai to enjoy bliss and peace. Struggling in adversity, I may feel tired but my spirit stays high as I know that He will provide me with all the strength I need. I wish to be as free as a bird flying high in the sky.

Sathya Sai, the Avatar comes to the world, preaching Righteousness, Truth and Peace as paths to eliminate the ego. He manifests His power to help sentient beings awaken from delusion. He asks us to practise precepts, meditation and wisdom, to cope with the three poisons of greed, anger and ignorance. We turn towards You, Sai Baba. Never again wavering and lost.

He gently reminds us to act with compassion to reach the Eternal Truth. Serve all with Love, practise Sadhana, to escape from the ocean of samsara and achieve Enlightenment. A light can remove the darkness of a million years; a thought of Wisdom can remove the foolishness of a hundred lifetimes. We turn towards You, Sai Baba.

Focus on chanting God's name. Cultivate both meditation and wisdom to allay your worries.
Impermanence is the nature of life. Engage in contemplation to remain unaffected.
Formlessness is Truth; Non-action is Tao. Once you acquire such wisdom, you lose all doubt.

The melody of the flute awakens us from attachment to worldly desires. The touching music opens our heart, enabling us to know the Truth. Young Lord Krishna took care of the cattle, lifting the Govardhana mountain to shelter them from the rain. Like the Gopis, we must have strong faith to face our challenges and not be afraid of difficulties.

Sai, the divine teacher, the spiritual mentor, is the teacher for all ages. Just as jade without chiselling will not become a useful object, a man without learning will not know the way. Put knowledge into action in order to reap the full benefits. Do not indulge in excessive desires and pride. Acknowledge feedback to scale new heights. The modest receive benefit, while the conceited reap failure. It is better to work hard than take shortcuts. Strive to transform by placing emphasis on moral values. The practice of Sai teachings is the way to realization.

God is love, love is God, live in love. Love makes all things easy. God is the embodiment of Truth and Love. He is within all sentient beings. We should reflect and express His characteristics in all we do. He delivered discourses and revealed knowledge, to make the world united in harmony. Truth, Love, Dharma and Peace are the essence of all teachings. You will experience boundless bliss once you understand.

Sing the glory of God. Propagate the divine philosophy. Let the will be set on the path of duty. Let every attainment in what is good be firmly grasped. Let perfect virtue be accorded with. Uphold these principles to attain glory. Engage in sadhana sincerely, serve lovingly. To be free from worldly concerns is essential but is not easy. You have to work hard like holding tight onto a rope. The fragrance of plum blossom comes from bitter cold.

Life in this world is only temporary and death is the return to the source. You must ask 'Who am I?' Abide by the truth and treasure Sai teachings. You are divinity, and divinity is in everyone. Speak righteously. There is no feeling of shame if you have committed no sin. Abide by the truth and treasure Sai teachings to unleash the truthful wisdom of humanity.

Sathya Narayana preaches Dharma. Lord Sai comes to this world to relieve all sentient beings of sufferings. Atma is everywhere, Atma is immortal, it can be so big that there's nothing outside, or so small there's nothing inside. Do not go after fame, fortune and power. Equanimity is the true wisdom.

Worship the charming Lord Sai: He who wears sacred holy ash all over Him; who is decorated with the Moon on His Head; who has the third spiritual eye on His forehead; and who holds the Trident (representing three phases each, of time, space and attributes). Practise simple living and high thinking, not indulging in fame and fortune; Lord Sai helps to cleanse my sins. Raising consciousness, securing life and fortune for the people, continuing lost teachings of ancient sages, Lord Sai helps to clear my mind and bring forth joy and bliss.

Lord Shiva loves the Cosmic dance (Tandava Priyakara). Join His graceful and elegant dance; follow His commands; affirm your conviction to fulfil your aspiration. A person who believes in benevolence and morality has an unbiased view of the ways of people. A person who retires from the world remains equanimous in weal and woe. Lord Sai is the personification of Truth (Sathyam), Goodness (Shivam) and Beauty (Sundaram).

When things don't turn out the way you had expected, a better plan is unfolding. The best approach to life is having exquisite taste and yet being tolerant. Being considerate of others is compassion, looking for the positive is magnanimity. Enquire where you were from, where you will remain in the future?

Singing the name of Lord Sai brings peace and happiness. Worshipping the Lord with devotion, bliss will be realised. With love and devotion, one can be liberated. Serve the Divine Preceptor through spiritual practice to attain the state of Nirvana. Engage in the recitation of the Lord's Name and meditate on Him, to attain union with Him. Looking within for divine darshan of the Lord will endow one with supreme wisdom. Deeds which are suffused with love and compassion are indeed meritorious deeds. Except for God, nobody belongs to us.

The Supreme Lord is none other than Lord Sai; I take refuge in Him.

God creates the universe. Everything is His creation. All is one and there is only one. Where is God?
God is within. Look within to find peace and harmony. Let's practise 'non-action' as taught by Lao-zi,
'Benevolence and Righteousness' as taught by Confucius and Mencius, 'Love and Equality' as taught by
Christ and Mohamed. With sincerity, there will be realisation; with realisation, there will be sincerity.
Only a truly sincere person can realise his true nature.

'Why fear when I am here' – this is the promise and teaching given by Sai. Worry not the thorny path ahead as the wound inflicted brings His grace. March on with Faith and follow His Will.

Worry not the stormy sea as He is at the helm to lead us across the ocean. Do not get discouraged, do not retreat; just follow His Will.

The great Guru Sathya Sai, Your advent is to uphold the Truth. Prashanti Nilayam is the holy place the seekers of Truth are attracted to. All are one; to serve with love is to manifest the Truth. Oh, my Guru, guide me along the path. Desirelessness and non-action (to act without doership) make the path ahead unimpeded.

Vasudeva Nandhana Gopala, Yashodha Bala Gopala

Nandha Gopala Anandha Gopala, Sai Gopala Sathya Sai Gopala

Sai, we sing in praise of You. You are the love and the light that fill the Universe. You come to spread the Truth, teaching us that all is one. If the Fatherhood of God is embraced, then the Brotherhood of Man should be observed. Sai is Love and only Love creates miracles.

Rama Raghava Rama Raghava Rama Raghava Raghu Vira

My Lord Rama, please unlock my shackles. Krishna, the self-effulgent Lord who upholds justice and annihilates devils, He shows us the true self and showers bliss. Rama, with an unblemished mind and loving warmth, He keeps His word and removes doubts.

Hey Prabhuji Prabhuji

O Lord, have mercy on me. Come, reside in my heart.
Without you, I feel an emptiness. Fill up my hollow entity with love.
I don't know the rituals, chants, and prayers. I just know that I believe in You.
I searched the whole world for You. Take my hand and lead me with You.

Sing the glory of the Lord Govinda always and everywhere. Glorify the divine names - Hari, Govinda. We should be able to adapt to new challenges by taking refuge in the Lord. When you do not seek outside yourself, you can live worry free. Love, forbearance and honour are the principles for success in life. A wrong decision made on the spur of the moment will bring harm to harmony. Seek within to discover your true self. Propagating the dharma will help the world to distinguish truth from falsehood. Take refuge in Lord Rama, Govinda, Hari, Sai!

O mind, sing in praise of the Lord's glory, take refuge at His Lotus Feet. Abide by His will and surrender everything to Him. Sai, the exemplary Guru of all ages, leads me to practise Dharma. With You by my side, I have no fear. Om, bow to Lord Sai. Puttaparthi is my home. I take refuge at the Guru's Lotus Feet, and there are no more worries. Let's realise heaven in the mundane world. The requirements are Faith, Hope and Love. Uphold righteousness however difficult it may be and accept everything as His will. Faith overcomes adversity and adversity tests Faith. Hope with patience, the Lord's promise will materialise in due course. Open one's heart and let love flow, then the everlasting bliss will come forth.

Bow in reverence to the elephant-faced Ganesh, bow in absolute purity to the name of Sai. Constantly remembering and being committed to the teachings of Sai would lead to a noble character and an open mind. Don't you see that the beings in the Three Realms are busy working endlessly, just for a better tomorrow? If you let go of these worldly worries and stop the delusional thought, the mind will return to its original state of purity. You would realise that the pure mind is still and immortal.

Wearing a fine woollen robe, I gaze at the fragrant flowers. This joy is exceptional, beyond any worldly senses. My hair is already turning grey; the flowers are still gloriously red, just as they were last year. Like the morning dew, the flowers will soon wither; the fragrance will soon fade along with the evening wind. You don't have to wait until the flowers wither away, to realize that this is all a dream.

Sathya Sai the Supreme Guru, the embodiment of Truth. Through His grace and teachings I learn to discard illusion and uphold the Truth. Worldly affairs can no longer bind me; loss and gain in life can no longer move me. No dust is stirred, when the shadow of the bamboo sweeps the floor; no ripple on the water is caused, when the moonlight penetrates to the bottom of the lake. When deluded, the Three Realms appear real; once enlightened, all is empty. Purity is Divinity.

The Sweetest Is Motherly Love

The sweetest is motherly love. Sai is our beloved Mother. His Love washes away the dust in my heart. I am relieved to return to my Mother's lap. I am willing to accept whatever He arranges for me, even tribulation, for I strongly believe that it is for my own good.

The Lord is the exemplar to follow. Stop the pursuit of external objects and cultivate your inner self. Practise introspection to overcome mistakes. Once you discover your true self, there is no more fear. All are one. Lord Sai is the source of life. Why worry when Lord Sai is by my side and in my heart? I do not want to surmise the cause of my suffering, and to plan my journey ahead. I wish to hold His hand in the darkness and walk with Him.
